

# Hurricane Season

## SUPPLY CHECKLIST

Here's a shopping list you can take with you when shopping for your hurricane kit. Remember to shop early, as many of these items run out the closer a storm approaches.

- Sandbags
- Tarps
- Battery-powered fans
- 50'-100' extension cord (plug your refrigerator into your generator first)
- Lanterns and flashlights: 1 per person
- Batteries (AA, AAA, D, C, 6V, 9V)
- Gas containers
- Gas generator (don't forget the oil)
- Insect repellent
- Radios (powered by battery, solar, or hand crank): 2-way & weather band
- Car chargers for your phone
- Wrench & pliers (in case you need to turn off utilities)
- Manual can opener (& corkscrew)
- First aid kit and whistle
- Fire Extinguisher
- 3-5 days of non-perishable food
- Water: each person and pet needs ½ gallon per day
- Ziploc bags for documents
- Medications, get refills in advance (pharmacies may be out of stock for weeks after a storm)
- Disposable items: toilet paper, hygiene products, paper towels, plastic plates & utensils, garbage bags
- Hand sanitizer and moist wipes for cleaning
- Cooler with ice for medications and food
- Comfort items- To pass the time, be sure to have books, games, cards, etc. For little ones and pets, be sure to have something to keep them calm and busy close by.
